42 regional businesses cash-in on \$30,000

Tri-Cities, WA – The Tri-City Regional Chamber of Commerce (TCRCC) has announced 42 award recipients of its Small Business Incentive Program. On October 26th, a contribution of \$30,000 from Washington River Protection Solutions (WRPS) was presented at the Chamber’s Regional “Open for Business” EXPO.

Qualifying member businesses were able to submit requests for websites, software, training and/or equipment.

Bob Deno, Perfection Pittsburgh Paint, said, “I would like to thank the Chamber for our new website with Mobile/App package. It is our goal as a local, small, family-owned business to reach out and be seen more by our future and current customers. This new online presence will greatly help.” Nikki Griffith, Sandollar Realty Advisors, said, “The TCRCC small business grant is such a blessing to my business; it has enabled me to purchase a replacement computer for my 2003 model that makes full use of all of today's technology; and that will satisfy my needs for many years to come.”

“This was the perfect opportunity to collaborate with WRPS to assist our small business members.” stated Lori Mattson, President and CEO of the Tri-City Regional Chamber of Commerce. “We are very grateful to WRPS for donating these funds and the opportunity to provide valuable resources to our members.”

Washington River Protection Solutions has pledged to fund the program for 2012. For more information or for a full list of the award recipients, call the Chamber at 509.736.0510, or visit www.tricityregionalchamber.com.
