Tri-City Regional Chamber Hosts “Developing Your Capability Statement” Class

Tri-Cities, WA – The Washington Procurement Technical Assistance Center (PTAC) and Tri-City Regional Chamber of Commerce invite you to attend the class “Developing Your Capability Statement,” on Wednesday, February 15th from 9:00-10:00am in the Bechtel Board Room at the Tri-Cities Business & Visitor Center, 7130 W. Grandridge Blvd., Kennewick. Presenting on the subject will be Ashley Bennington-Coronado, PTAC Business Counselor.

A capability statement is similar to a company resume and is used as a marketing piece for government contracting. An effective capability statement can help a company make the most of networking opportunities, and class attendees will learn how to develop a useful piece. If your company has an existing capability statement and is looking to improve it, bring a copy to receive constructive feedback.

In 2011 the Tri-Cities PTAC educated 330 people through trainings such as this and helped local businesses secure \$30.3 million in government contracts.

This class is free for Chamber members and non-Chamber members. Please register by February 14th at www.washingtonptac.org/PTACTrainingEvents1.shtml. For questions please contact Ashley Bennington-Coronado at 509.736.0510 or ashley.coronado@tricityregionalchamber.com.
